

# MY COMMUNITY COOKBOOK

# The heart of your home

If your home had a heart, where would it be? We recently asked our team this question and the response was unanimous:

My kitchen.

Gone are the days when it was an afterthought, a space limited to preparing food. Today our kitchens are a place where our family and friends debrief over dinner and learn about each other's day. Occasionally we find refuge with a cup of tea. We've had the unavoidable "can I see you in the kitchen?" chat and it's also where we've stolen kisses...

With the kitchen in mind, we want to give you a glimpse of our heart beyond our stores. By sharing recipes that bring us comfort and joy, we hope to stay connected with our wonderful community.

Bon appétit!

Cook Time: 1 hr 15 mins

*"...because it's my twist on an Irish classic using Guinness in the pie, but also cause Brissie is cold as in the evenings so it warms the soul. Most of all it reminds me of home!"*

By: Gavin Sutherland

## Ingredients:

### Pie Mix

1 kg Peter Augustus mince beef  
2 cloves garlic, crushed  
1 brown onion, diced  
2 carrots, diced  
1 red chilli, diced  
2 tbsp tomato paste  
250 ml beef stock  
440 ml Guinness, can  
2 sprigs of thyme  
1 bay leaf  
4 tbsp flour  
2 tbsp Worcestershire sauce  
Salt and pepper  
1 star anise  
2 tbsp olive oil

### Potato Topping

1.3 kg potatoes, peeled and chopped  
2 tbsp chives, chopped  
100 g butter  
100 g cheddar cheese grated  
150 ml cream

## Method:

- Preheat oven to 180°C
- Fry onion, carrots, garlic and chili in olive oil until soft – 4 to 5 minutes
- Add mince beef and cook until browned, breaking it up as you do it – 10 to 12 minutes
- Mix 4 tbsp flour with 100 ml Guinness and set aside
- Add remaining Guinness, thyme, bay leaf, star anise, beef stock, Worcestershire sauce and beef stock to pot. Once simmering stir in the Guinness and flour mixture
- Cook on medium heat (at a simmer) for 20 to 30 minutes, stirring occasionally. You want to reduce the cooking liquid until it's a gravy like thickness.
- Once reduced to your liking set pie aside to cool a little and then place into an oven proof pie dish

## Potatoes

- Chop potatoes to equal sized pieces and boil in heavily salted water until soft enough to mash – approx. 15 minutes
- Drain potatoes and allow them to steam for a minute to remove moisture. Add butter, cream and 8 g of grated cheddar cheese and chives. Stir to combine

## Assembly.

- Once pie mix has cooled sufficiently spoon the potatoes over the top and spread out. Using a fork, make rough bits on the top of potatoes. This helps give you those delicious brown crusty bits
- Sprinkle remainder of the grated cheese on top and bake in oven for 25 to 30 minutes at 180°C

# Granddad's Shanghai Dumplings

Makes: 20 dumplings

Prep Time: 2-3 hours

Cook Time: 30 mins

*"Grandad used to make this every second weekend when we were kids. It's a juicy pork bun with a crispy base, he used to make it when friends visited or when we had pot lunches at school, and everyone loved it! It tastes delicious but this recipe is also full of fond childhood memories"*

By: Joy Shi

## Ingredients:

### Meat filling

- 250 g pork mince (don't use the lean one!)
- 1 egg
- 3 dried shiitake mushrooms, roughly chopped
- 1/2 cup spring onions, chopped
- 1 1/2 tbsp oyster sauce
- 2 tbsp Shaoxing wine
- 2 tbsp light soy sauce
- 1 tsp sugar
- 2 tbsp ginger, finely chopped

### Dough

- 2 cups flour
- 1 cup water
- 3 g yeast
- 1/4 tsp sugar
- 1/4 tsp baking powder
- 1 tbsp cooking oil

### To serve

- Seasme seeds
- Spring onion

## Method:

- To make the dough, mix flour, yeast and sugar together. Add warm water and oil gradually. Mix with chopsticks/ fork until no more loose flour can be seen. Turn onto a floured surface and knead the dough until it is relatively smooth (if using a stand mixer, knead on low speed for about 8 to 10 minutes)
- Place into an oiled bowl for first proof and cover with wet cloth. Let it rest until it doubles in size (around 2 hours in a warm room)
- To make the filling, place all filling ingredients in a bowl and mix together in one direction continuously for 5 minutes or until it comes together. If it's a bit dry, add some water
- To roll out the dough, take dough out of bowl and knead on floured surface. Roll it into a ball and make a hole in the middle to form a donut like shape. Cut into 20 equal pieces
- Roll each dough piece into a round ball, press down to flatten and then roll each piece flat
- To fold the bao, hold dough in the palm of your hand and scoop some filling into the middle (don't scoop too much). Then gradually fold the edges in and pinch the dough with thumb and index finger until bao is completely sealed. Continue with remaining dough and mixture
- Once you have made the baos, rest for 15 minutes
- Heat up some oil in a pan and place the baos in face down (the crease should be facing down)
- When the bottom starts to golden, pour in water and then cover with lid immediately
- Uncover lid when water evaporates. Sprinkle with sesame seeds and spring onions
- Serve with your favourite dressing!

# Karadage (Japanese fried chicken)

Serves: 4

Cook Time: 20 mins

*"Easy and delicious, the batter is light and not messy to make. It can be a snack or serve as a main course.*

*Always a crowd-pleaser for kids and adults alike!"*

By: Vivian Xie

## Ingredients:

650 g or 4-6 pieces of boneless chicken thigh

Salt and pepper

2-3 tbsp potato starch

2 tbsp plain flour

Vegetable oil for deep frying

1 clove garlic (minced)

1/2 tbsp soy sauce

1/2 tbsp sake (can substitute with dry sherry)

1/2 tsp sesame oil

Kewpie mayonnaise

Wedge of lemon to serve

## Method:

- Cut the chicken thigh into 5 cm pieces and season with salt and pepper
  - In a large bowl, add minced garlic, soy sauce, sake and sesame oil to mix
  - Add the chicken to the bowl and mix until evenly coated
  - Cover and refrigerate for 30 min to marinate
  - Pour enough oil to a pot (at least 3-4 cm deep to shallow fry) and heat oil to 160°C on medium heat
- Tip: If you sprinkle a little flour in, it will sizzle, that's when you know the oil is ready
- On a tray, prepare potato starch in one pile and flour in a separate pile
  - Lightly dredge each chicken piece in the flour and dust off the excess. Then dredge the floured chicken in the potato starch
  - Once the oil is hot enough, gently submerge each chicken piece to the oil. Don't overcrowd the pot otherwise the temperature will drop too much and the chicken will end up absorbing too much oil and be soggy instead of crispy
  - The chicken will be fried twice. For the first fry, leave in for about 90 seconds until the chicken is a light golden colour, remove and transfer to a wire rack to drain excess oil. If the colour changes too quickly, it means the oil is too hot
  - For the second fry, turn the heat up to medium-high heat. Add the chicken for about 45 seconds or until the skin is crispy and has a nice golden colour. Transfer to a wire rack
  - Serve the chicken hot with a wedge of lemon and Kewpie mayonnaise

*"Because... SPRINKLES!"*

By: Lyla Chrzescijanski

## Ingredients:

- 1 and 2/3 cups (208g) all-purpose flour (spoon & leveled)
- 1/2 teaspoon baking powder
- 1/4 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 cup (115g; 1 stick) unsalted butter, softened to room temperature
- 1 cup (200g) granulated sugar
- 1 large egg, at room temperature
- 2 teaspoons pure vanilla extract
- 1 cup (240ml) whole milk (or buttermilk)

## Frosting:

7 Tablespoons (100 g) unsalted butter, softened to room temperature  
1 and 3/4 cups (210 g) icing sugar  
2–3 teaspoons heavy cream or milk  
1 teaspoon pure vanilla extract

## Coating:

40 ounces candy melts or choc coating of your choice  
Sprinkles to decorate

## Method

- Preheat oven to 177°C. Grease a 9-inch springform pan

### Make the cake:

- Whisk the flour, baking powder, baking soda, and salt together in a medium bowl. Set aside
- Using a handheld or stand mixer fitted with a paddle or whisk attachment, beat the butter and sugar together in a large bowl until creamed, about 2 minutes
- Add the egg and vanilla extract and beat on high speed until combined. Scrape down the bottom and sides of the bowl as needed
- With the mixer running on low speed, add the dry ingredients and milk to the wet ingredients until combined. Manually whisk the batter to ensure there are no large lumps at the bottom of the bowl. Batter will be slightly thick
- Pour the batter evenly into the prepared pan. Bake for 30 - 36 minutes or until a toothpick inserted in the center comes out clean. If the top begins browning too quickly in the oven, loosely place a piece of aluminum foil on top
- Allow the cake to cool completely in the pan set on a wire rack

### Make the frosting:

- With a handheld or stand mixer fitted with a paddle attachment, beat the butter on medium speed until creamy, about 2 minutes
- Add confectioners' sugar, heavy cream, and vanilla extract with the mixer running on low. Increase to high speed and beat for 3 full minutes
- Crumble the cooled cake into the bowl on top of the frosting. Make sure there are no large lumps
- Turn the mixer on low and beat the frosting and cake crumbles together until combined
- Measure 1 tablespoon of moist cake mixture and roll into a ball
- Place balls on a lined baking sheet
- Refrigerate for 2 hours or freeze for 1 hour
- Re-roll the chilled balls to smooth out, if needed. Place back into the fridge as you'll only work with a couple at a time
- Melt the coating in a 2-cup liquid measuring cup (best for dunking!). you can use a double boiler or microwave

### Coat the cake balls:

- Remove only 2-3 cake balls from the refrigerator at a time
- Dip a lollipop stick about 1/2 inch into the coating, then insert into the center of the cake ball. Only push it about halfway through the cake ball
- Dip the cake ball into the coating until it is completely covered. Make sure the coating covers the base of the cake ball where it meets the lollipop stick
- Very gently tap the stick against the edge of the measuring cup to allow excess coating to drop off
- Decorate the top with sprinkles and place upright into a styrofoam block or box (as explained above)
- Repeat with remaining cake balls, only working with some out of the refrigerator at a time. The cake balls must be very cold when dipping!
- Coating will set within an hour. Store cake pops in the refrigerator for up to 1 week
